# Vendor Welcome Packet

Welcome to the Baltimore Stamp and Coin Show! It is my pleasure to host the show and serve you during the show.

I think it is only fair that everyone has a common understanding of what is expected during the show from the time an application is submitted until teardown is complete. So with that in mind please take a few minutes to read the information below and if you have any questions please ask. My contact information is:

*Phone:* 443-686-0146 feel free to text or leave a message if I do not pick up. I will get back to you as soon as possible.

*Email:* [andrew@aegraber.com](mailto:andrew@aegraber.com)

**BOURSE APPLICATIONS:** Bourse application are required to be filled out and signed prior to the show starting. If you are a last minute fill in please be sure to complete and sign the application prior to beginning set up. It is important to submit your applications as soon as possible as the registration desk referral list will be ordered by when applications are received. This is discussed further in the registration desk referral section.

**SECURITY:** Security is a team event requiring each of us to remain vigilant during the show to ensure our respective property is secure. We all should keep our eyes open for our fellow vendors when possible. With this being said there will be an armed off duty police officer present at the show. In the event of an incident the officer will be able to call local authorities to come to the show and adjudicate any issues. The officer will be around to ask if vendors are armed during the show. This is so he is aware in the event of an incident. Security cameras are in use as part of the security net. It is my goal to let the bad guys know that I am serious about the security of both the vendors and customers that attend the show. Security presence will be from 7:30am thru 4:00pm

**ADVERTIZING:** I realize that advertising is the soul of any show. You can expect the following from me in the form of advertisement.

1. Permeant presence on Facebook. Link:

<https://www.facebook.com/groups/997308680409017/>

2. CoinZip.com is the home of the show. For up to date information please visit the show page. Link: <http://www.coinzip.com/Baltimore-coin-show> I encourage each of you to register on coinzip.com and add yourself to shows that you are attending. The coinzip.com registration site link is: <http://www.coinzip.com/register.php>
3. Featured Banner add on CoinZip.com during the week prior to the show.
4. Targeted email campaign to coin and stamp collectors within a 50-mile radius of the show. This includes three separate email blasts prior to the show. Each mailing is monitored and tweaked to increase response rates.
5. Advertisement in Coin World and Linn's hard copy and electronic magazines.
6. Advertisement in Pennsylvania Association of Numismatics hard copy magazine.
7. Listed on ANA Event Calendar, CoinZip.com and CoinShows.com
8. Email and direct mail to show customers.
9. Hard copy show flyers distribution.
10. Outreach to local coin clubs.

**TABLES & ELECTRICITY:** Primary table is 6 feet in length by 30 inches wide, backup table is 6 feet long by 18 inches wide, and each primary table has 1 electric outlet.

**WiFi:** When available the WiFi information will be given out during show setup.

**SETUP TIME:** Setup time begins at 7:30am and vendor entrance doors close at 8:45am. After 8:45am the use of the hotel main entrance will be required. The reason for this is that only the vendor entrance door or the public entrance door can be open at one time. If both are open at the same time a wind tunnel effect occurs causing vendor setups to be disturbed and the Embassy Suit Atrium is impacted. This is a property rule that we have to abide by.

**TEAR DOWN TIME:** The show will close promptly at 3:00pm giving vendors one hour to complete teardown which must be no later than 4:00pm.

**REGISTRATION DESK REFERRALS:** What happens when customers ask registration desk personnel for referrals for vendors that are buying coins or stamps? To be fair to all vendors at the show a list of vendors will be kept at the registration desk listing the vendors in two groups. One group for stamps and the other for coins. These lists will be ordered by when the vendor's bourse applications were

received. When asked registration personnel will simply start at the top of the respective list depending whether coins or stamps were asked for and refer the next vendor on the list and work their way down until the end of the list is reached then return to the top of the list. *My table will always be at the end of the list giving other vendors first shot at potential buy opportunities.*

**MUTUAL VENDOR RESPECT:** Mutual respect for each other is very important. Two things to be aware. First do not to pull customers from other vendor tables while they are talking. Wait until they are finished and the potential customer is moving on. Second before conducting a deal in front of another vendors table ask permission as it is rude to do so without permission.
