Do they really have 200 dealers?									
<b>A Few Rules (I dislike rules)</b>									
1. No one may enter the bourse unless the bourse director or hired security is present.									
2. Dealers may purchase passes for their customers in advance: cost \$2, a discount of \$1. No free entrees.									
3. I say yes to 9 of 10 requests. But please ask if it affects any space beside your own. Thank you.
